

500 Club Drawing

The “500” club

Did you know that this on-going fundraiser is as old as the parish itself?

It began as a way of supporting the sports program offered to the children in our parish. It paid for equipment, league fees, uniforms and gym time...whatever was needed. Way back then, tickets were \$1 for a monthly chance to win \$500!!

With ever increasing insurances, league fees, gym fees, safety equipment etc., the “500 Club” is still an on-going, monthly fundraiser that still helps defray the costs of the sports offered to our parish children but is now \$5 a month for the bi-monthly drawing. Each ticket has the chance to win \$500 during that month. If there is no winner that week...then the prize \$\$ increases by \$250 each time. The numbers are drawn during our Saturday night Bingo twice a month.

“500” club tickets are sold each month thru a ticket seller or the rectory office and soon will be available after all weekend masses.
